

Budva, May 29th - 31th, 2018

**Conclusions of XI Regional Conference on Cadaster and Spatial Data
Infrastructure**

1. *Participants of the Regional Conference express gratitude for the extraordinary organized XI Regional Conference on Cadaster and Spatial Data Infrastructure which was held from 29th to 31th of May in Budva. The special gratitude was expressed to the Real Estate Administration and its Director Dragan Kovačević.*

2. *All cadastral-cartographic institutions (hereinafter referred to as: institutions) in their presentations have shown their activities in the area of cadaster and spatial data infrastructure:*
 - *importance of preciseness, security and confidentiality of spatial data in the area of land administration as well as the overall society,*
 - *importance for the overall system where institutions shall be recognized as the key ones in spatial data creation and distribution,*
 - *need for the intensive cooperation with private and public institutions together with capacity strengthening with the aim of active participation in “digital society” creation.*

3. *By analysing presented future activities, common strategic aims were recognized together with the difference of the levels of necessary phases in preparation and implementation of the projects and all this refers to the future cooperation in sharing experiences and good practice.*

4. *Importance of the ongoing cooperation with international associations and institutions was pointed out as well as the need of widening that cooperation and all this with the aim of standard, experience and knowledge transfer together with the direct support in preparation and implementation of the projects.*

Institutions express gratitude to each international donor institutions and associations with hope to further successful cooperation.

5. *The next XII Regional Conference on Cadaster and Spatial Data Infrastructure is going to be held in Bosnia and Herzegovina in the organization of Federal Administration for Geodetic and Immovable Property Affairs of Federation of Bosnia and Herzegovina, at the beginning of June, 2019 year.*
